I'm tired of trying to come up with something epic for a 99th video so here's something not so epic, but heavily worked on. ... its ok imo just a bit choppy at parts. From now on I'll be making videos with How to lip sync in sfm without spending hours for a single word. Trying out something completely and utterly different here, throwing in my hand at computer animation. This is just a simple, rough. ... I was hoping to make a vid to celebrate 1 million total views but this thing is a pain in the but to get used to.
