Finally done! Hope you like it! :3 Also I think I like the way I animated Sparx's antennas. They're just so cute! X3. Don't ask. Also sorry I haven't uploaded a video in about a week and a half. I was really busy with other animations and I'm stillÂ ... I wasn't doing so good at this but I hope you like it... The model is finally here! I've been waiting so long! :D Link: I do not own these voices. I used the unused voiceclips from Enter the Dragonfly. [SFM Spyro] Spyro Reignited Trilogy Animation Test but I couldn't figure out how to make him breathe fire.. Credit goes to Dusk for all his hard work on this model. Link toÂ ... OMG I finally

made an animation! Well here you go. I just thought it would be more like the game. My first animation on Source Film Maker, using This is a wip. The lighting and animation are not final. I found the PS1 model from the Steam workshop and I was so excited to use it! I wonder if someone is going to release an LOSÂ ... This model is not available in the Steam Workshop but it was made by a friend of mine (credit to SG Gaming). Trying out new things with cameras! I think I'm doing better on animating this stuff. I wanted to practice some more because I've been losing motivation for animating and I really want to get my motivation back.
